

## Sign up/login

A hand-drawn sketch of a mobile app screen for sign up/login. It features a central box with the text "Sign Up" at the top, followed by three horizontal wavy lines representing input fields, and a small rectangular button at the bottom. The screen has a back arrow in the top left corner and three dots at the bottom.

## Profile

A hand-drawn sketch of a mobile app screen for a user profile. It includes a back arrow in the top left corner and a small square icon in the top right. Below these is a circular profile picture placeholder labeled "photo" and a text field labeled "Name". There are two large rectangular boxes below the name field, and three dots at the bottom.

## Brows activities

A hand-drawn sketch of a mobile app screen for browsing activities. It features a back arrow in the top left corner. The screen displays three identical activity cards, each with the word "Activity" and a wavy line, followed by a square placeholder labeled "photo". There are three dots at the bottom.

## filter accommodations

A hand-drawn sketch of a mobile app screen for filtering accommodations. It includes a back arrow in the top left corner. The screen has the text "Book accommodation" at the top, followed by a "Location" label and an input field. Below this are "From" and "To" labels, each followed by a date input field in the format "DD/MM/YYYY". A "Search" button is at the bottom. There are three dots at the bottom.

## Details on accommodation

A hand-drawn sketch of a mobile app screen for details on an accommodation. It features a back arrow in the top left corner. The screen displays a "photo of accommodation" placeholder, followed by "Description" and "Rules" labels with wavy lines. Below these are "Price \$\$\$" and a "Book" button. A "MAP" button is at the bottom. There are three dots at the bottom.

## Destination info

A hand-drawn sketch of a mobile app screen for destination information. It includes a back arrow in the top left corner. The screen displays a vertical list of destination categories: "Flights", "Hotels", "Car rentals", "Restaurants", "Activities", and "Places to visit", each in its own rectangular box. There are three dots at the bottom.
